

JEJU,
HOST
ISLAND

“The Island of Gods” or simply Jeju Island is full of tourist attractions such as picturesque beaches, historical places, national parks, Buddhist temples, amusement parks, museums, shopping malls and many more interesting destinations. Jeju is known as the only place in the world with three UNESCO designations – Biosphere Reserve, UNESCO World Heritage Site and Global Geoparks.

VISA FREE

Most participants visiting Jeju Island directly from other countries are allowed to stay without a visa. Jeju International Airport is served by direct flights from 9 major cities in East Asia region including Tokyo, Nagoya, Osaka, Fukuoka, Beijing, Shanghai, Shenyang, Taipei and Kaohsiung. If you arrive in Jeju Island via other airports in Korea, more restrictions may apply. You can find more information about visa at the ICCM18 website.

INVITATION

Dear Colleagues,

It is a great pleasure to inform you that the 18th International Conference on Composite Materials (ICCM18) will be held from August 21st to 26th in Jeju, Korea. As one of the most highly acclaimed meetings in the field of composite materials, it takes place biannually in different countries all over the world.

This year, the organizing committee has chosen “Composite Materials: Key to the Future” as the main theme of the conference, with a focus on the latest developments and trends, as well as the future outlook of the field of composite materials.

With enthusiastic interest and participation from all over the world, around 1,800 abstracts from 60 countries were submitted. Huge support we received ensures us that ICCM18 will follow the tradition as the best occasion for exchange of ideas on composite materials. With beautiful scenery and state-of-the-art facility, the venue will offer you an ideal site for lively discussion and socialization.

I hope you will join us at the ICCM18 and have a meaningful time with global scholars. Also I wish you have a wonderful summer in beautiful Jeju Island. All members of the ICCM18 organizing committee look forward to meeting you in Jeju, Korea.

Sincerely,

WOO IL LEE
Chairman of ICCM18
